CORDELIA CARTER

Editor's Message

The Blue Quill Annual for 1958-59 will be, we hope, a treasure chest of memories of all the fun, accomplishments, dreams, and sorrows that we have experienced during this past school year.

It is my wish that you as students will be pleased with the production of this annual because pleasing you as students is what we, the members of the staff, have strived for.

I would like to express my deepest gratitude to our sponsor, Mrs. Jennings, for all the time, patience, and guidance she has given us; to the members of the staff who have worked to compile the Blue Quill; and to all those parents, subscribers, and patrons of our school who, by their cheerful assistance in our undertakings have made this school year, with its annual, a memorable one.

Sincerely,

Cordelia Carter

MRS. CARTER WATTS

Grammar School Principal

Dear Students,

One usually gets from life only the measure he gives. As you grow older if you will use the Golden Rule for your motto, I believe you will have the satisfaction of not only receiving the best from life but giving the best. Therefore, it is most important that you take advantage of the opportunities afforded by your home, your church, and your school. These produce a good attitude, a concern for your associates, and make life more pleasant.

Keep your faith in God and life will never end.

Sincerely,

Mrs Carter Watts
